Frequently Asked Wedding Questions and Answers

We are sure you have lots of question you feel you need to ask at this stage. This is usual as your wedding day is one of the most important days of your life!

24 |

To help make it a little easier we have compiled a few of the most regular asked questions and answers below;

When should I send out my wedding invites?

We would advise you to send out your wedding invites approx. 12-18 months before the date of your wedding. It is sometimes advisable if you are planning years ahead to send a "Save the Date" to important friend and family members.

What time should we ask guests to be at the hotel for?

We would advise that guests arrive approximately 1 hour before the ceremony is due to take place.

Evening guests should arrive from 7pm when a ceremony is 2pm or before, or 7.30pm if a ceremony takes place after 2pm.

When will our next meeting be with a wedding coordinator?

We have several wedding events throughout the year that we will automatically invite you to. We

are always at hand on weddings@sitwellarms.com. We will respond as soon as possible to all emails. During weekends and exceptionally busy periods it can sometime take us a little longer than normal. Please bear with us, however if you urgently need to speak to us, please call reception on 01246 435 226.

You can contact our in house venue styler Michaela of Samui weddings' on samuiw@outlook.com / 0794 395 6572 to discuss the décor styling included in your chosen package at any time. Your final meeting will take place approx 4-6 weeks before the date of your wedding. This will be held with wedding admin. You will go over your special day in fine detail and have a good understanding of what will happen from the minute you arrive for your wedding through to departure. A progress meeting is usually advised 6 months before your wedding date to ensure your planning is on track. If you feel you require one before then, please email or call us on 01246 435 226.

Do I have a taster meal included in my package?

The Platinum and Gold package include a complimentary taster meal for 4 people. This should take place approximately 4 weeks prior to you sending out your invitations. Please email weddings@sitwellarms.com to make your reservation. If your package doesn't include a taster meal and you would like one, this can be arranged at an additional charge, again please email our wedding team.

When is our next payment due?

Your next payment is due 6 months prior to your wedding. All the payment terms can be found in your contract or in the last letter we sent you. We will always write in advance to remind you when payments are due.

Can I make further payments towards my wedding reception?

Additional payments can be made at any time towards your wedding. We would advise you to read and understand the contract fully when making additional payments to the ones we request.

How many people can fit on the top table?

We understand this can depend on your family circumstances; however, it would be advisable to keep the top table to a maximum of 10 people. There is no minimum amount for a top table, some couples opt to not have a sweetheart table with just the two of them and others, choose to sit on a round table like the rest of the guests.

How many people fit on a round table?

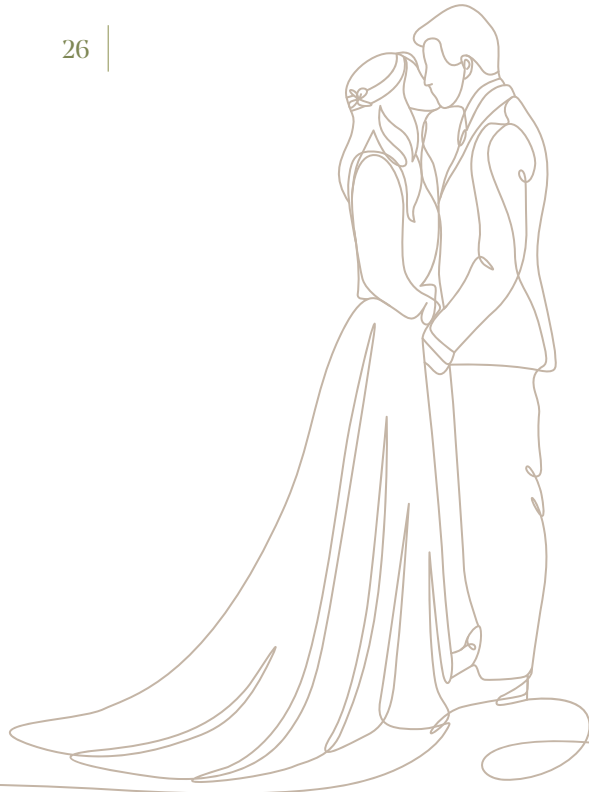

We have table that can seat up to 8 guests and tables that can seat up to 10. We will provide you with a table / room layout template before your wedding and help you plan the positioning of the tables in your chosen function room.

What age is classed as a child?

Under 10 are children's meals and charged half price, under 3 are free of charge. These will need highlighting on your table plan.

Frequently Asked Wedding Questions and Answers (continued)

26

What about special dietary requirements?

We are happy to cater for most special diets/ intolerances / children's menu. We have a separate menu specifically designed to accommodate these. Please email the weddings team for a copy of this document.

Can we use external wedding suppliers?

While we prefer you to use our recommended suppliers, external suppliers can be used, however there are a few very important factors to consider.

1. Each supplier should have their own insurance and be covered for £5million to match the hotels insurance.
2. If they require an electric supply, their equipment will need to be PAT tested with a valid certificate.

There will be a small charge to use our electricity starting from £25 per supplier. You should speak with our wedding team about this.

We advise you to speak with our team regarding additional wedding items you may want to book or contact our venue styler to discuss the décor styling included in chosen your package, before contacting any other suppliers as we always provide a discount for our wedding couples.

When can we bring our wedding cake / flowers?

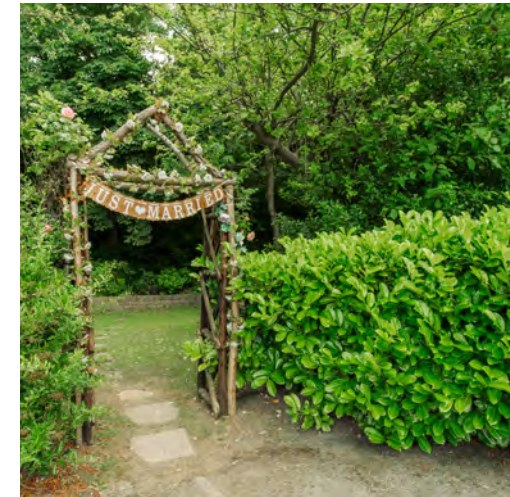

We do not accept wedding cakes or flowers until the day of the wedding. Suppliers can gain access from 8am on the wedding day, or earlier with prior arrangement under special circumstances. However, we advise both flowers and cakes to be delivered as close to the wedding time as possible to guarantee freshness.

When will the salon be in touch as I already have this booked in my package?

Our on-site Hair and Beauty providers will make contact with you regarding your chosen package should this include hair & beauty services. Bridesmaids and guests can also book appointments for wedding styling. Please call the salon direct on 01246 437 328 to check availability.

I am not staying the night before my wedding, what time can I get into my room?

We can allocate your room as a complimentary early check in which would be 12noon. If you

require your room earlier than this on the wedding day, we suggest you to stay the night before. We can make arrangements for food for you and any guests who wish to stay the night before. We do offer a DBBR (Dinner, Bed and Breakfast Rate) Please email weddings@sitwellarms.com to make these arrangements or find out more information.

What time is check-in/check out to the hotel bedrooms?

Check in is from 2pm and check out is 11am. Early check in arrangements for some rooms can be arranged at an additional charge. Please revert to your accommodation allocation sheet.

What if our ceremony takes place before check-in?

Guests can pay for an early check in if required or use the gym changing facilities complimentary. We have to bear in mind the requirements of all functions, so we would advise early check ins are requested as soon as possible.

Can our guests book their own accommodation?

A member of the weddings team should have already explained the accommodation arrangements and booking process with you, prior to your wedding deposit being paid. These are as follows; most wedding packages include an overnight for the Bride & Groom, please make sure you are clear and have viewed the room you are expecting to stay over in on your wedding night. Guest accommodation will automatically be provisionally reserved unless you have stated otherwise. You should ask your guests to call and confirm their rooms as soon as they know they wish to stay the night. They will be asked to pay in full for their room at the time of confirming. All required accommodation should be confirmed no later than 6 months prior to the date of your wedding (unless your wedding has been booked less than 6 months in advance, then it's 3 months). All unconfirmed

accommodation, out of the hotel's policy timescale will be released and open to book to the general public.

We would suggest referring to your contract for information on payment terms and conditions. Please note any changes to your wedding details after your finalisation meeting, will need to be done so in writing.

Can my guests book additional nights at the hotel?

This will depend on if we have a function the

night before your wedding. Please email our wedding team to find out.

Can confetti be thrown on the hotel's grounds?

We have reviewed our policy for 2022 due to the environmental effect this has on our grounds and wildlife, and unfortunately, we no longer allow confetti.

Anything further you wish to ask please email us at weddings@sitwellarms.com

Please find our recommended suppliers contact details, who will be happy to assist you with your forthcoming wedding.
